Install GraphoLearn

Technology Requirements

- Windows computer, Mac computer or Android tablet
- Headphones

Click on the box that has the device you will be using. If you have any trouble, please contact rescue@yale.edu.

Play GraphoLearn

Start Date:	Day After Pre-Assessment	End Date:	12 Weeks Later
--------------------	--------------------------	------------------	----------------

Guidelines

- Play two 10-minute sessions with break in-between
- Child always uses headphones
- Do not go over 20 minutes per day
- Be available if your child needs help staying on track/avoiding distractions
- Do not provide any answers

Instructions

1. Sit next to your child until the game starts.
2. Start a timer for yourself.
3. Child plays game for 10 minutes at a time. Check-in on child every now and then to make sure they stay focused.
4. Child finishes the current level when time is up.

Suggestions

- **If your child misses a day**, you can play on a weekend but do not increase the amount of time played. No more than 20 minutes per day.
- **If your child plays for longer than 20 minutes** on any given day, continue to play for 20 minutes the next day per usual and do not decrease the amount of time played.

Weekly Check-In

Complete the weekly check-in at the end of each week. Check your email for the link. If you do not see it in your inbox, check your Spam folder and/or contact rescue@yale.edu.
